AT THE CENTRE OF ALL BELFAST HAS TO OFFER

Born for 21st century industry, the building's city centre positioning and unrivalled transport connections offer tenants an enviable location in arguably the world's most up and coming city.

Located in the heart of Belfast's city centre, The Vantage's 67,500 sq ft array of workspaces will accommodate a dynamic mix of businesses. A stones throw from Weavers Court transport hub and a host of other amenities, this prime location frees up time to focus on the things that matter most.

NEXT GENERATION ENVIRONMENTS

The Vantage offers a modern cutting edge finish to meet the needs of today's "office", whether that be a growing tech firm or established professional services firm.

The Vantage leads from the front, with a stunning double height entrance which provides a true sense of arrival, merging seamlessly into providing accommodation ranging from 5,800 sq ft to 67,500 sq ft over 11 floors with ground floor retail of 2,244 sq ft. The excellent natural light combined with attractive open ceilings creates a superb environment for day to day working.

The Vantage is a place where employees can be inspired, be comfortable, thrive and grow. The building benefits from superb staff amenities including showers, drying cupboard, changing facilities and bike storage with every aspect of wellbeing catered for.

SPACE THAT WORKS FOR YOU

Tenants will benefit from a next generation working environment. Having entered the building through a cutting edge, double height lobby the upper floors will be accessed by 3 no. 10 person passenger lifts.

The Vantage is designed with the occupier in mind, its floorplates will fit traditional working arrangements and also appeal to companies who are adjusting to a more flexible, hybrid working model. Each floor will benefit from the following design features

-  Efficient floor plates
-  Raised access floors
-  A VRF air conditioning system allowing for 1 person to 8 sq m occupancy ratio
-  Unisex toilets & disabled WC facilities

OUR WORKFORCE

Population of 1.8 million is one of Europe's youngest and fastest growing. 53 per cent of the population is under the age of 40. A steady stream of enthusiastic, talented people for knowledge-based companies seeking a strong workforce

TOP CLASS EDUCATION

The region's education system is recognised as among the best in Europe. Nearly a fifth of public expenditure is on education and Northern Ireland consistently out performs all other UK regions in academic qualifications.

Two world-class universities Queen's University Belfast and Ulster University and an extensive network of further education colleges provide excellent academic and vocational training. Both universities are responsive to business, creating graduates with skills, competency and acumen in business-relevant areas. Over 4,000* people graduate each year with business qualifications in Northern Ireland.

FINANCIAL SERVICES SECTOR

Belfast, the region's capital, is ranked as the world's top destination for financial technology investment projects and has been ranked in the top 3 Fintech locations of the future after London & Singapore. (Source FT FDI Markets 2019)

PROFESSIONAL SERVICES

Northern Ireland has become a leading global location for professional and legal services investment.

There are over 16,000 people employed in Professional and Legal services in Northern Ireland, and the region offers a ready pool of culturally-compatible, highly educated talent.

TRANSPORT/INFRASTRUCTURE

Key facts:

- Three airports deal with almost seven million passengers a year.
- Belfast's two airports have daily scheduled flights to destinations across the UK and Europe including London, Paris and Amsterdam.
- City of Derry airport has regular scheduled services to GB destinations.
- The region has four ports.
- Belfast Harbour is the second busiest port on the island of Ireland.
- 160 ferry and freight sailings per week to Great Britain and Europe.

COMMUNICATIONS

Key facts:

- The first region in Europe to achieve 100 per cent broadband coverage.
- One of the first to operate high speed, next generation services with a 100-gigabyte per second transatlantic and terrestrial telecommunications link between Northern Ireland, North America and Europe.
- A fully digital, fully fibre optic communications network.
- Highly deregulated telecoms industry ensures competitive market with over 70 operators.
- The region's compact size makes it an ideal test-bed for new communications technology.

BEFORE, DURING AND AFTER HOURS IT'S ALL ON YOUR DOORSTEP.

Belfast is arguably the world's most up and coming capital city. Steeped in decades of rich history, with the grandest of ambitions for the 21st century. A city working experience like no other - home to world-class culture and cuisine, education and entertainment.
