

19 Bedford Street, Belfast, BT2 7EJ

To Let

Modern Self-Contained Office Building in the Heart of Belfast's Central Business District

Fully refurbished office suites available from 2,659 sq ft - 15,688 sq ft

Location

Belfast is well served by public transport. Two airports: Belfast City located just 3 miles from the city centre, has short-haul routes throughout the UK; and Belfast International is 17 miles / 25 minutes by motorway. Two major rail stations and an efficient bus network are supplemented by the Belfast Rapid Transport Glider Service, which links the city centre with East and West Belfast and Titanic Quarter.

Bedford Street is without doubt the best of the three major streets within Belfast's Central Business District - home to the Grand Central Hotel; Bedford House; Bedford Square; The Ulster Hall and the Invest NI Headquarter building adjacent to the subject.

19 Bedford Street is conveniently located within the Linen Quarter just behind City Hall and within easy walking distance of the main shopping district. There are numerous restaurants, pubs and coffee shops in the immediate vicinity.

Transport connections are excellent with the Glider and Metro Buses stopping at nearby Donegall Square; and the main Northern Ireland Railways and Ulsterbus Terminal (soon to be Belfast's main Transport Hub) minutes away on Great Victoria Street.

Description

The building was previously occupied by a single tenant and is ideal for a single occupier HQ, but could easily be adapted for multi occupancy. The accommodation has recently been refurbished to include a new reception lobby, carpeted flooring, suspended ceiling, W/C and kitchen facilities and a passenger lift accessing each floor.

The ground floor comprises the newly refurbished reception lobby boasting a vibrant and welcoming presence and is accessed directly from Bedford Street. The remainder of the ground floor is a mixture of 7no Meeting and Conference Rooms, kitchen, store and ladies & gents W/Cs.

The upper floors are accessible via stairwell and a passenger lift and form an open plan office configuration with some cellular offices and meeting / breakout rooms created with the use of glazed partitioning benefitting from an abundance of natural light. Each floor is finished to include raised access flooring, suspended ceilings, LED lighting, carpet tiles and has a kitchen area; ladies or gents W/Cs; and a shower room is located on the first floor.
