A 2 bedroom semi detached cottage on a large site with potential to extend, subject to planning.

The existing cottage is in need of full renovation and has ample scope for extension. The current accommodation comprises entrance porch, lounge, kitchen with dining area, 2 bedrooms and bathroom. Extended accommodation and a large garden would be a rare commodity in this popular location.

Due to the works required we are seeking cash or substantially cash offers.

Internal viewings may be arranged by appointment.

To see the size of the site why not search the Ordnance Survey NI website ( <https://maps.spatialni.gov.uk/> ) for 13 Brokerstown Road.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

Whilst every effort is made to ensure the accuracy of these details, it should be noted that the measurements are approximate only. Floorplans are for representation purposes only and prepared according to the RICS Code of Measuring Practice by our floorplan provider. Therefore, the layout of doors, windows and rooms are approximate and should be regarded as such by any prospective purchaser. Any internal photographs are intended as a guide only and it should not be assumed that any of the furniture/fittings are included in any sale. Where shown, details of lease, ground rent and service charge are provided by the vendor and their accuracy cannot be guaranteed, as the information may not have been verified and further checks should be made either through your solicitor/conveyance. Where appliances, including central heating, are mentioned, it cannot be assumed that they are in working order, as they have not been tested. Please also note that wiring, plumbing and drains have not been checked.
