Development land at Lady`s Abbey, Ardfinnan

An excellent development opportunity has been brought to the market by PF Quirke & Co. Ltd. Suitable either for one large private dwelling or multiple dwellings. This site benefits from a central location in Ardfinnan village. All services including main sewage pass by the outside of the site and it has road frontage to 3 sides, therefore being extremely versatile. This is an excellent opportunity to construct one large private dwelling in a great location or to develop a multi-unit residential development. We recommend early inspection.
