admin@falloonestateagents.com

A superb 2 storey townhouse style duplex apartment set within the exclusive Gatelodge Building at Linen Green, Lisburn.

The property offers a deceptively spacious layout and is located to one end of the landmark Gatelodge building, at the entrance to Linen Green, and benefits from 2 designated parking spaces and a private patio garden.

The most accessible location makes commuting to Lisburn and Belfast very straightforward via Prince William Road and Boomers way respectively.

The property has been completed to a high specification including Oak effect PVC double glazing, gas central heating, oak interior doors, Oak fitted kitchen with granite worktops and excellent bathroom and ensuite with quality tiling.

Internally the property has newly fitted carpets throughout and has been freshly decorated. The property is chain free and ready to move into.

1ST FLOOR

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92-100) A		
(81-91) B		
(69-80) C	78	79
(55-68) D		
(39-54) E		
(21-38) F		
(1-20) G		
Not energy efficient - higher running costs		
Northern Ireland	EU Directive 2002/91/EC	

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

Whilst every effort is made to ensure the accuracy of these details, it should be noted that the measurements are approximate only. Floorplans are for representation purposes only and prepared according to the RICS Code of Measuring Practice by our floorplan provider. Therefore, the layout of doors, windows and rooms are approximate and should be regarded as such by any prospective purchaser. Any internal photographs are intended as a guide only and it should not be assumed that any of the furniture/fittings are included in any sale. Where shown, details of lease, ground rent and service charge are provided by the vendor and their accuracy cannot be guaranteed, as the information may not have been verified and further checks should be made either through your solicitor/conveyance. Where appliances, including central heating, are mentioned, it cannot be assumed that they are in working order, as they have not been tested. Please also note that wiring, plumbing and drains have not been checked.
