Situation

The hamlet of Ashmill is only about 0.5 miles from the popular village of Ashwater with its pretty village green, popular pub, and primary school. This corner of Devon still retains a very quiet and unspoilt ambience with the towns of Holsworthy and Launceston being within a short drive. For those wishing to travel further afield, the A30 is about 10 minutes away and provides a direct link to the M5 near Exeter. The North Cornish Coast is some 16 miles, whilst Roadford Lake is within a couple of miles with its great watersports and fishing opportunities.

Directions

From Holsworthy proceed on the A388 Launceston road for some 3 miles and upon reaching Clawton turn left. Follow this road for 1.5 miles until reaching Sprys Shop Cross, and here turn right. Follow the signs to Broadwood, passing Ashwater Primary School on your right hand side, and proceed down the hill into Ashmill. Just before the bridge turn right and the property will then be found after about 100 yards on the left hand side.
