This is an incredibly rare opportunity to purchase a well presented and deceptively spacious detached bungalow with potential for four bedrooms and two plus reception rooms or three bedrooms and three plus reception rooms occupying a generous rural site with views over open countryside towards Belfast International Airport. With the bungalow extending to 1526sq.ft. and a further 3,612sq.ft. of commercial garaging with associated offices and storage facilities, this property will be ideally suited to those with an interest in motorsport, vehicle repairs or who just require space to store a collection of vintage cars. Equally suitable for a range of other uses (subject to necessary planning) this property provides the ideal opportunity for anyone wanting to work or run a business from home.

Only on full internal inspection can one begin to appreciate the quality and potential of this well appointed home and unique commercial opportunity.

Early viewing strongly recommended.
