Bideford is a peaceful olde worlde market town on the River Torridge. The main district is on the west bank and its narrow streets filled with white painted houses sprawl from the working quay, up the slopes to the outer suburbs. A former historic port town, Bideford is a great place to explore, whether it's a trip to the shops or a restaurant outing there's something for everyone. The Pannier Market is a brilliant example of the town's originality, with its terrace of artists' workshops and independent shops. The town also champions sports at a grassroots level with both the local rugby and football teams having healthy followings. There are no end of ways to join in the community spirit of this wonderful white town on the hill.

Viewings must be strictly accompanied and can be arranged directly with Bond Oxborough Phillips.

Description

The land is approached on one side via a gate that is accessible from the road named Blackmore Avenue on the College Park Housing Estate. The other entrance is accessible from a private driveway that leads up to Moreton Lodge. Between these two access points is the site itself which comprises mainly of an area of well-kept lawn with a tarmac pathway cutting down through the middle. There is space to park a few vehicles at the bottom of the site. A few trees are situated on the grounds but in general the space is open and amenable. The area has a lovely look and feel about it and is bordered by attractive modern and period properties.

Services

Access to mains water, sewerage and electricity.

Tenure

The land is being offered for sale on a Freehold basis.
