Are you prepared for an exciting challenge? This is your chance to own a thriving Fish & Chip Shop right in the heart of Dromore, County Down.

This family-owned establishment has become an integral part of the Dromore community, attracting a loyal customer base and enjoying a very healthy turnover for the past 40 years and whilst already successful in its own right, this business has superb options for even further growth.

Dromore is a town on the rise, experiencing significant growth, and as the population continues to grow, there is a new opportunity for someone to take on the bustling atmosphere of running the town's most beloved eatery.

The business is available due to my clients retirement plans, however they are more than willing to assist during the transition period, ensuring the next generation is well-prepared and connected to the loyal customer base.

A discounted purchase price of £100,000 for the business, Fixtures, Fittings and goodwill is based on rental agreement for the premises on a five year lease at £20,000 pa.

My client owns the property so we are happy to discuss with the new business owners the option to purchase the building if required.

Accounts available upon request.
