A superb 'Ready to go' residential building site with planning approval for a detached bungalow of approximately 2000 sq ft with detached double garage.

Located just off Station Road and a short distance from the A26 Moira to Nutts Corner Road, making commuting to Belfast to Lisburn and the International Airport all very accessible.

The accommodation within the approved design briefly comprises entrance porch, entrance hall, lounge, open plan kitchen, dining and family area, rear hall, utility room, principal bedroom with en-suite shower room, two further bedrooms and main bathroom. Provision can be made for the subsequent addition of further space at first floor level, subject to any necessary consents.

We understand that mains water and electricity are available nearby. Drainage will be to a septic tank to be located within the site.
