Are you considering re-locating to the ever so popular West Country, or you have outgrown your current home locally? This delightful detached home offers generous living space throughout, remarkable energy efficiency and far-reaching views...

Number 9 is situated within a select development of properties, constructed in 2021, all whilst being located moments from the picturesque village square of Sheepwash. The village itself benefits from convenient access to nearby amenities and hotspots, including the unspoilt scenery of Dartmoor National Park and the opportunity for leisurely coastal pursuits.

Upon approach, you will be initially drawn to the attractive exterior, boasting a balanced blend of exposed brickwork and modern composite cladding. The home itself is positioned within an ample 0.18 plot, providing generous parking arrangements and wrap around garden access.

As you enter the home, the large entrance hall is perfect for welcoming friends and family into your new abode, plus free flowing access to all that the ground floor has to offer. The dual aspect living room is a particularly desirable attribute, boasting plentiful floorspace for an array of furnishings and a wealth of natural light. The kitchen/dining room is located to the rear of the house, with pleasant views over the rear garden and an overall contemporary theme. Further practicalities include rear access to the enclosed garden and cloakroom facilities.

Ascending to the first floor, we have on offer four respectable bedrooms, as well as a large family bathroom. Bedroom number one benefits from being positioned to the front of the home, this large principal suite offers incredible elevated views and the opportunity for a selection of free-standing furnishings. Bedroom two is also a comfortable double bedroom, with the further bedrooms currently providing versatile storage and office provisions. The family bathroom continues to provide a modern theme, including practical wall panelling, plus the benefit of separate bath and walk-in shower amenities.

To the exterior, the gardens are majority laid to lawn, with mature hedge line bordering and the enjoyable outlook of countryside adjacent. From the generous parking area available, to the external storage options, there is future potential for a double garage to be constructed within this end plot.

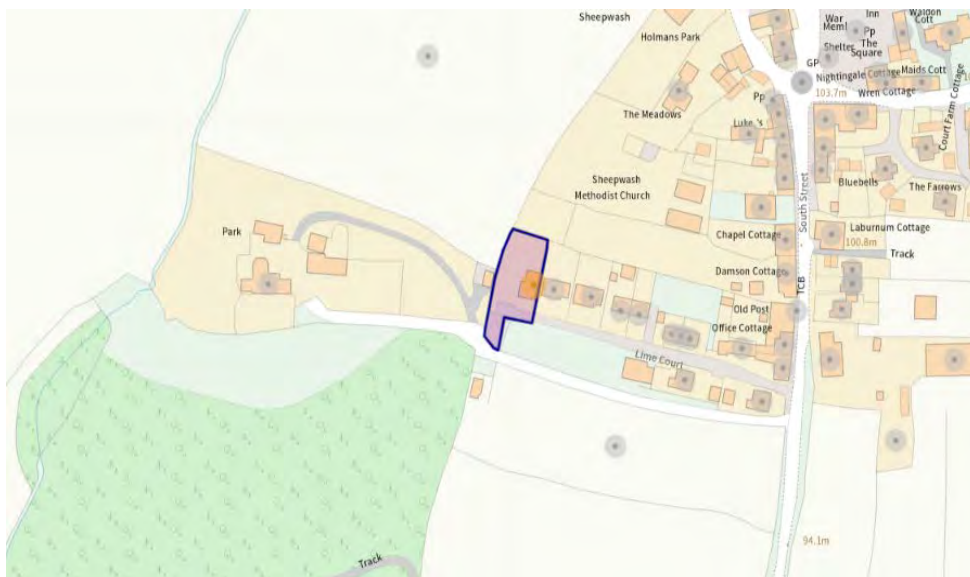

Energy efficiency is a key factor of this modern style property, including high performance glazing, top specification electric heating and the inclusion of solar photovoltaic panels. The south facing panels located to the frontage truly capture the optimum levels of solar energy available, providing a quarterly return for the current vendor.

Changing Lifestyles

The picturesque village of Sheepwash is widely considered by many to be the quintessential Devon village. There is a well-stocked Post Office/General Stores and the highly acclaimed Half Moon Inn offers excellent hospitality/dining along with some of the finest game fishing available on the River Torridge.

The ancient village Church is located just off the pretty square. Neighbouring villages include Black Torrington, Highampton, and Shebbear with its renowned private institution of Shebbear College.

A wider range of shopping/schooling and recreational facilities are available from the market towns of Great Torrington, Hatherleigh and Holsworthy, whilst for those wishing to travel further afield, Okehampton and the A30 is about 10 miles distant.
