SUMMARY

Approached via a sweeping driveway and set on a mature elevated site, this magnificent detached family residence which was constructed in 2009 is sure to impress even the most discerning of purchasers.

No expense has been spared by the present owners in terms of the level of finish and specification with the highest quality floors throughout, a Robinsons kitchen with Aga Range, marble fireplaces in the reception areas and luxury bathroom and ensuites.

The accommodation which extends to approximately 6,000 Sq Ft is adaptable to suit individual requirements and comprises the option of six bedrooms (three with walk-in wardrobes), three reception rooms, principle bathroom, two ensuites, plus shower room together with home office and large double integral garage.

Bedroom 5 offers the added advantage of serving as a granny flat or private annex, complete with its own separate rear entrance for enhanced independence and privacy. Alternatively, it would make an ideal home office, providing a quiet and secluded workspace away from the main living areas.

Externally the formal gardens which are beautifully maintained extend to c. 1 acre. In addition there are two adjoining fields of c. 3 acres which would suit those with an equestrian interest.

Ideally located some 20 minutes' drive from Belfast City Centre and 30 minutes from International Airport the property has all the benefits of its rural surroundings and yet is only a short drive from the popular village of Hillsborough and the many specialist shops and restaurants it has to offer.

View without delay as this home can only be fully appreciated by internal inspection.
