Excellent investment opportunity!

Mixed use commercial and residential investment opportunity comprising ground floor retail unit and three apartments above

The building was fully occupied until December 2023 with the shop let in a three year lease and the apartments with long term tenants.

The apartments will benefit from a modest investment to refresh their presentation which in turn will increase their rent potential. In two of the apartments there is scope to increase accommodation by altering the layout to provide two bedrooms along with a bathroom, generous lounge and kitchen. The top floor one bedroom apartment has outstanding views over the harbour and Copeland Sound.

Investors might consider adapting the residential accommodation for holiday and short term lets (subject to necessary approvals) while there is interest from prospective occupiers for the shop unit. Retail shop unit plus three one bedroom apartments situated in the centre of the increasingly popular seaside town of Donaghadee.
