This is a rare opportunity to purchase this beautifully presented four bedroom detached two storey house occupying a generous mature site of approximately 1 1/3 acres and situated in a prime location on the Seven Mile Straight with easy access to Belfast International Airport, Templepatrick and Belfast City Centre.

Sympathetically extended by the present owners to circa 2350 sq ft this elegant property offers deceptively spacious accommodation with three reception rooms, a spacious kitchen with informal dining, ground floor W/C with access to a large utility / office room and four well proportioned bedrooms to the first floor to include the master with dressing room and ensuite shower room.

Outside the property has the unique benefit of two vehicular access points which link up to create an easy drive in and drive out with plenty of parking to the sides and rear. The large garden is ideal for those with young children and the extensive paved patio is ideal for entertaining. In addition, the adjoining attached barn could be renovated (subject to necessary approvals) to create additional entertainment space or may suit those running a business from home.

Only on full internal inspection can one begin to appreciate the opportunity that this beautifully appointed property provides.

Early viewing strongly recommended.
