We have been instructed to offer for sale, two infill building sites, which are located in a popular rural area outside Gilford on the Ballymacanallen Road. They both measure approx 0.4 acres and have views over the surrounding countryside at the rear. The Ballymacanallen Road is off the Hunters Hill Road, it is convenient to Portadown, Lurgan and Banbridge. If you are interested in horses there are several Equestrian establishments in the area, there are also many country lanes nearby for walking or cycling in.
