The Property

Here is a rare and unique opportunity to purchase an outstanding detached property with a coastal site and arguably the best views of Donaghadee overlooking the iconic lighthouse and harbour and beyond to Irish Sea and Scotland. Clifton Cove is a development of only four houses and Number 4 is tucked away at the end. Not only do residents of this particular location benefit from the stunning setting but also the convenience into the town centre and all its amenities such as shops, cafes and restaurants.

The property itself is deceptively spacious with the ground floor comprising large living room, with attractive granite fireplace and gas coal effect fire, and a fitted kitchen which is open plan to casual dining/family area. Upstairs this fine home is further enhanced by having three well proportioned bedrooms including main bedroom with en suite shower room. There is also a bathroom with three piece white suite.

Outside on the coastal site you have a garden in lawns with paved terrace areas which are ideal spaces to relax and take in the stunning views. There is also a tarmac driveway and forecourt with parking on the other side of the property. Additional benefits include Phoenix Gas heating, double glazed windows, downstairs WC, pressurised water system and integral garage with electric door.

Properties of this calibre rarely make it to the open market. Demand is anticipated to be high and to a wide range of prospective purchasers. Donaghadee offers a variety of activities for the sporting enthusiast such as sailing, golf, cricket, rugby, hockey, football and bowls. A viewing is thoroughly recommended at your earliest opportunity so as to appreciate it in its entirety.
