

The Agent's Perspective...

"Set back off the road at the end of what was originally Mountain Road, this four bedroom detached home has been the happy family home for the one and only residents for the past 58 years. So content were they with the convenience of the location and the proximity of the countryside just a short walk away, they saw no reason for moving. However, now the time has come.

Set off by a large mature garden there is plenty of space for children to enjoy - building a 'den', playing 'hide and seek' or that all important football game.

The house has four bedrooms (including one on the ground floor), Drawing Room, Dining Hall, Study, TV Room, double glazed Conservatory, bright kitchen and two shower rooms (one ground and one first floor).

There is a cavernous double garage - ideal for many restoration projects or simply 'tinkering'.

Within easy reach of schools, shops and countryside walks, this is a home that perhaps the next family can call their 'forever' home"
