

21 Marcella Park , Newtownards, BT23 4SF

"Probably one of the most deceptively spacious homes that I have seen in recent times, located in a prime location at the foot of Scrabo Hill and with incredible views right across Newtownards town from the rear of the property."

This home is beautifully presented throughout and, surprisingly, offers up to 5 bedrooms (4 doubles) but perhaps works best as a top floor master suite, complete with dressing room and ensuite shower room, plus 3 further bedrooms and a bathroom on the middle floor. The ground floor has a spacious and bright lounge, with feature fireplace and exceptional views, a separate dining room, a conservatory/porch and a modern fitted kitchen, with more of those stunning views. Externally there is a garage with tarmac driveway plus gardens to front and enclosed to rear in lawn with mature hedges, shrubs and paved patio.

The property benefits from uPVC double glazing and oil fired central heating and genuinely should be viewed internally to be full appreciated.
