| Energy Efficiency Rating                    |  | Current                    | Potential |
|---|--|----------------------------|-----------|
| Very energy efficient - lower running costs |  |                            |           |
| (92 plus) A                                 |  |                            |           |
| (81-91) B                                   |  |                            |           |
| (69-80) C                                   |  |                            |           |
| (55-68) D                                   |  |                            |           |
| (39-54) E                                   |  |                            |           |
| (21-38) F                                   |  |                            |           |
| (1-20) G                                    |  |                            |           |
| Not energy efficient - higher running costs |  |                            |           |
| Northern Ireland                            |  | EU Directive<br>2002/91/EC |           |

Questions you may have. **Which mortgage would suit me best?**

**How much deposit will I need? What are my monthly repayments going to be?**

To answer these and other mortgage related questions contact our mortgage advisor on 028 9047 1515.

Your home may be repossessed if you do not keep up repayments on your mortgage.

**We DO NOT charge for initial mortgage consultations. We may charge a fee on completion depending on circumstances. Our typical fee is £250, however, please confirm with Mortgage Consultant at time of appointment.**

Please note that we have not tested the services or systems in this property. Purchasers should make/commission their own inspections if they feel it is necessary.
