'Ard Nua' represents an unrivalled opportunity to acquire a stunning contemporary detached residence of c 5,000 sq.ft nestled amongst some of Co Downs most idyllic scenery, situated on the periphery of Comber. Exuding a contemporary theme, the property has been meticulously designed and is finished to exacting standards with the emphasis on its passive energy specification and unrivalled finishes throughout.

Arranged over 3 floors, the notably spacious and bright interior is complimented by an adaptable layout that captures the splendid countryside views leading to Strangford Lough and Scrabo Tower from most, if not all of the rooms. A lift provides access to all three floors and adds a degree of 'future-proofing'. No expense has been spared in this luxurious yet remarkably comfortable home's creation – from the bespoke finishes to the technological features. The house was built with a high standard of insulation and air-tightness, together with heating being generated by an air-source heat pump supplemented by photovoltaic solar panels. There is also a mechanical heat recovery ventilation system.

This has resulted in an 'A' energy rating – particularly relevant with recent increases in energy costs. Accessed via electric gates, leading to a sweeping tarmac driveway, the property is enveloped by gardens in lawn with feature outdoor lighting and seating area. In addition, a paddock to the side of the house can be accessed via a separate driveway to the rear. This space would be ideal for anyone with an equestrian interest, other sporting activities or simply a keen gardener.

An enviable location nearby Strangford Lough, an area renowned for its outstanding natural beauty yet within proximity to principal routes to Belfast, Dundonald, Downpatrick and Newtownards - ideal for those wishing to commute. Belfast city airport is close to hand along with excellent public transport links to Belfast grammar secondary schools.

Located less than 2 miles from Comber which offers a variety of amenities including several restaurants and cafes, schools, health centre, churches plus leisure centre. We are confident this unique contemporary home will appeal to the most discerning purchaser.
