

22 Kircubbin Road , Ballywalter, BT22 2PH

The best way to understand this spacious detached home is to see it as a main dwelling plus an additional, integral annex - ideal for a dependent relative or even B&B. The property extends to over 3,200 sq.ft. in total and offers up to 6 bedrooms (master with en-suite bathroom) in the main house plus a lounge and an open plan kitchen/living/dining area. There is a utility room, ground floor WC and first floor shower room. It benefits from uPVC double glazing & oil fired central heating. The Annex adds an additional living/kitchen/dining room, with multi fuel stove, a private bathroom and two bedrooms (or 1 bedroom plus a generous lounge). It also benefits from uPVC double glazing & oil fired central heating. Externally there is a detached double garage and gardens that extend to approximately 0.5 acres and which are surrounded by open countryside. The property has been a home to many kids and would benefit from a little TLC but there is no doubting that this is a substantial property, with loads of potential, in an ideal setting, and offered at a very attractive price. Viewing recommended.
