COASTAL & COUNTRY

The McAlorum Group is delighted to introduce the latest offering in their nearly 60-year history of bringing quality development to this most sought-after Bangor West location.

Crawfords Farm sits adjacent to the Crawfordsburn Road, bordering the countryside between Bangor and Crawfordsburn village. Carnalea train station is within walking distance for the most effortless commute to both Bangor and Belfast.

Crawfords Farm will provide traditionally built brick and block-constructed homes designed to reduce running costs and environmental impact. A design-led brief provides open spaces and carefully planned road layouts to complement this charming countryside setting.

Crawfords Farm caters for first-time buyers, growing families and those looking to enhance their quality of life in their later years. Given the variety of house styles on offer and the lifestyle opportunities within this coastal and country environment, we anticipate high demand from all sections of the market.

LUXURIOUS LIVING

Crawfords Farm presents classically designed homes with contemporary twists inspired by the rich heritage of this gentrified coastal landscape.

AN IDEAL LOCATION

Located on the southern shore of Belfast Lough, as it opens onto the Irish Sea, Bangor is a charming seaside town that has kept much of its Victorian charm.

The iconic marina at its centre epitomises a nautical and coastal culture that makes Bangor one of the province's most desirable places to live.

Undoubtedly, part of the appeal is its proximity to Belfast, located just 13 miles to the west and well connected by road and rail. However, the town is much more than a commuter belt. Bangor has its unique identity, and when we feel more connected than ever to our surroundings, residents will enjoy a vibrant town, peaceful surrounding North Down countryside and the unspoiled shoreline in equal measure.

Few areas offer so many activities and attractions in such close proximity. Country parks, beaches, coastal trails, marine gardens, cycle paths and golf courses are accessible to everyone and define the area's outdoor lifestyle.

Bangor also has the amenities and essentials you expect from an established and self-contained town. There is an abundance of vibrant restaurants, cafes, bakeries, butchers and greengrocers, as well as independent boutiques, supermarkets, schools and leisure facilities. Little wonder that Bangor West is synonymous with being an area that delivers a perfect balance of convenience and comfort.
