

We are delighted to bring this well-presented second floor apartment perfectly positioned over the attractive open square of Georgian and Victorian design. Very few properties are located as centrally within Lisburn, benefiting from ease of access to local transport links and the city centre's further amenities.

Once a spacious three bedroom apartment, this now light and bright two bedroom apartment presents flexible living accommodation for modern living and can easily be reconfigured to a three bedroom residence if required. It presents an open plan living and dining area open to kitchen, two double bedrooms (principal ensuite) and luxury bathroom each with recently upgraded showers.

Finished to an exceptionally high standard throughout and meticulously maintained by its current owner. This and its unbeatable locality are sure to appeal to many. Lisburn Square is now a very affluent venue with a range of amenities very close to hand and local transport connections within a very short walk. Early viewing is highly recommended.
