THE LOCAL AREA

Ballygowan is a busy commuter bypass close to Northern Ireland's capital.

It is a village and townland in the borough within County Down that is known for the Olivet home. This imposing and austere building has dominated the village since 1886 and is the village's main feature.

The building was originally erected as an orphanage by Alexander Orr Reid as a memorial to his only son who was killed in a shooting accident. It was then purchased by Ballygowan Presbyterian Church in 1918.
