Lands at Croan Lower, Clonmel

Brought to the market by PF Quirke & Co., Ltd are 13.61 hectares (32.77) acres of top quality land with extensive road and river frontage. The property has direct access to the Colville Road and extensive fishing along the southern bank of the river Suir. There is an old yard with the ruins of a residence thereon and while all in grass, the land is in great fertility. This is a rare opportunity to purchase a good block of land close to Clonmel. We recommend early inspection.
