

7 Mckenna Road Rubane, Newtownards, BT22 1GP

Located in the charming rural townland of Rubane between Kircubbin & Cloughey this beautiful, modern detached home is part of the Cranmore Point Development, completed in 2018, and retains much of that new home feel. At 1,800 sq.ft. it is also deceptively spacious and benefits from an integrated solar PV system for reduced energy bills.

The property boasts versatile accommodation of up to 5 bedrooms, 2 on the ground floor which might suite a dependent relative or could be alternatively used as sitting rooms, play rooms or home office. The main bedroom is a very generous suite with walk in wardrobe and en-suite shower room. The ground floor includes a spacious lounge, with multi fuel stove, a family bathroom and a modern kitchen/diner, with separate utility room and patio doors to the rear garden.

It benefits from uPVC double glazing & fascia and Oil fired central heating with solar link up. Externally there are gardens in lawn to front, side and rear and a paved patio. Properties like this rarely come to market so we recommend an early appointment to view internally to avoid disappointment.
