

2 Ferry Street

Portaferry, Newtownards, BT22 1PB

"Well you won't see a property like this every day. A stunning 3 storey townhouse, dating back over 150 years to 1869, yet fully modernised in the last few years and offering incredible family accommodation of nearly 3,500 sq.ft. or obvious potential as a B&B or guest house, given it's location on the shores of the stunning Strangford Lough".

Starting at the top you'll find a self contained, 2 bedroom apartment, with direct access to the garden and street via an external stairwell, centred around an open plan kitchen/living/dining room and including a master suite with ensuite dressing room & shower room plus a 2nd bedroom, also with ensuite bathroom. Moving down to the middle floor there are 2 further suites with walk through dressing rooms & ensuites and a further double bedroom with shower room across the hall. The ground floor is highly versatile and centred around a large "farmhouse style" kitchen, open plan dinning room and a separate lounge. To the right of the front door is a reception room/guest breakfast room, currently used as a fashion & gift boutique, with an additional room to the rear, ideal as a guest sitting room or games room. Externally there is a courtyard to the rear with walled garden and lawn area. The property has been extensively renovated and benefits from uPVC double glazing and a new oil fired central heating system. The possibilities in this property are only limited by your imagination.

If you're looking for a home built to the latest building standards then this property may not be for you, but if you appreciate the character of a stone built property with modern enhancements then we invite you to view 2 Ferry Street at your earliest convenience.

Offers Around £325,000
