Description of Proposal: Demolition of existing building and construction of 3 storey office building (Amended description)

Drawing Ref: 01, 02, 05B, 06B, 07

The Council in pursuance of its powers under the above-mentioned Act hereby

GRANTS PLANNING PERMISSION

in carrying out or the development, new contamination is discovered that has not previously been identified, all related works shall cease immediately, and the Council shall be notified immediately in writing. No further development shall proceed until this new contamination has been fully investigated in accordance with current industry recognised best practice. In the event of unacceptable human health risks being identified, a Remediation Strategy and subsequent Verification Report shall be submitted to and agreed in writing by the Council, prior to the development being occupied or operated. The Verification Report shall be completed by competent persons in accordance with best practice and must demonstrate that the remediation measures have been implemented and that the site is now fit for end-use.

Reason: To ensure that any contamination within the site is appropriately dealt with, in the interests of human health.
