

10 Seamount Parade, BT15 3NS

£795 PCM

An excellent extended mid terrace property to offer a much more spacious fully fitted kitchen to the rear and additional reception room. Together the accommodation includes two reception rooms and electric shower on the first floor. Furthermore, externally there is an enclosed paved garden to rear with garden shed. Located within the popular Seaview area and with both extended and well presented accommodation this should not be available for long, so view now to avoid disappointment.
