Terms & Conditions

Please note that these particulars do not constitute an offer or contract of sale. Any prospective purchaser should satisfy themselves by thorough inspection of the property and we recommend that any prospective purchaser should employ the professional services of a building surveyor and consider their findings prior to entering into contract. All such fees associated with this work will be the responsibility of the prospective purchaser regardless of whether the sale completes or not. In addition, none of the appliances or installations have been tested in any way whatsoever and it is our recommendation that a purchaser should fully satisfy themselves by employing an appropriate expert. We would also like to advise that our measurements are taken from the widest points of each room and should not be relied upon as completely accurate. You should not make decisions based on the measurements provided and double check measurements at all times.

Valuation/Mortgage Service

As part of our service we would remind Vendors and potential purchasers that we have a Mortgage Broker available at this branch. If you are thinking of selling, we would be happy to carry out a free market appraisal of your property.
