Energy rating and score

The property's energy rating is C. It has the potential to be C+.

[See how to improve this property's energy efficiency.](#)

The graph shows the property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) for a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in Northern Ireland:
The average energy rating is D
The average energy score is 60
