Hot To Trot!

No. 4 The Stables is located in one of the original Linen Mill buildings dating back to the 19th century. It offers a stunning finish throughout, original exposed beams and vaulted double height ceilings in the bedrooms that give a wonderful sense of space and character.

The open plan kitchen and living area is a superb place to relax, entertain and dine. The original part of The Mill Village was created using traditional stone and was converted to a contemporary finish resulting in an award winning development. The residents within The Mill Village enjoy access to a fantastic leisure complex in the Linen House building which includes a swimming pool and a fitness suite.

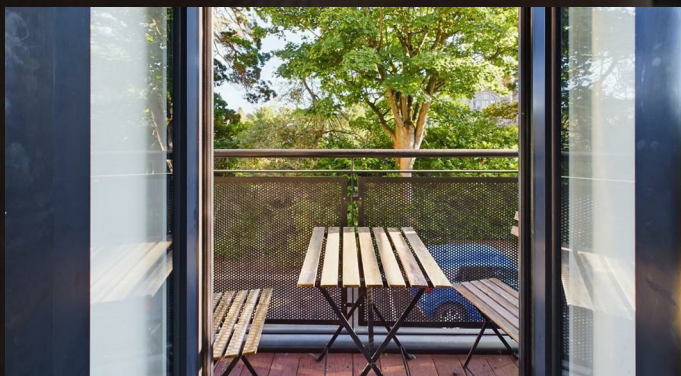

Downstairs comprises an entrance hall with an oak floor, a WC and a wonderful living and dining room with a solid oak floor that is open plan to a modern kitchen, complete with integrated appliances. Upstairs comprises a landing with built-in storage, a master bedroom with a double height vaulted ceiling, original exposed beams and an en-suite bathroom benefiting from a separate bath and large walk-in shower. Completing upstairs is another bedroom with a vaulted ceiling, a balcony and another ensuite shower room.

The Mill Village is conveniently located between the Belfast and Ballygowan Road which ensures easy access to the road networks to Belfast, Bangor and Newtownards. Comber town centre is only a short walk away and offers a fantastic range of local amenities.
