# Tinakelly, Fethard

Brought to the market by PF Quirke & Co., 7.528 Ha (18.601 acres) of good quality agricultural land. Situated close to Fethard and Drangan and providing easy access to Cashel, Thurles and Clonmel. This is a nicely located plot, in good condition and all in grass bar a small area that has been left to nature. The property is accessed via a tree lined farm roadway and is in a scenic area with great views. This property could be well suited to the development of a small residential/agricultural holding (subject to Planning Permission). This is a great opportunity to purchase a manageable plot of ground in a good location we recommend early inspection.
