TEMPLETON
ROBINSON

PRICE: OFFERS IN THE REGION OF £950,000

Templeton Robinson are thrilled to bring to market 'The Ashgrove'. This collective residence offers a vast array of buildings and great potential – from the extensive newly built main house (Approx 5,000 sq ft) with 5 or 6 bedrooms and separate downstairs bathroom to the showroom, garages, outbuildings to the further Stone Barn (Planning is now passed for three townhouses) and the further offering of a new detached dwelling (Approx 4,800 sq ft) which has Full Planning Permission.

The Ashgrove is situated on a quiet country road and a stone's throw from the village of Ballywalter in the heart of the Ards Peninsula. The location is protected from the noise and bustle of everyday life with it's tranquil and relaxing setting, surrounded by farmland and unspoilt countryside; yet both Bangor and Newtownards are only a 20 minute drive away respectively. Belfast City Airport is also approximately a 40 minute drive.

With so much on offer from the potential of running a small holiday business with Air B&B potential with the Stone Barn to full guest house potential with the main house – all on your doorstep or perhaps long term rentals this is a unique opportunity not to be missed. To note – The Showroom would also make an ideal country shop or for example an Architect's office. We strongly recommend contacting the Agent to arrange an early viewing and to fully understand the complete assets on offer.
