DESCRIPTION

Grimes are delighted to present no. 87 Strand Street to the market. No. 87 was built in 1995 and boasts a B3 energy rating. It is a large 4-bedroom property that offers huge scope for customisation into your preferred layout and further scope for extension into the large attic space (stpp). Currently configured as two 2-bedroom apartments with rear garden access from ground and first floor.

To the front there is a private garden space and then a further private car parking bay with ample parking for 2-3 cars. When inside, the property feels surprisingly private, quiet and removed from the main street yet offers all the comforts of a central location. Viewing is highly recommended to appreciate this substantial home.

The rear garden has a Westerly aspect and again great scope for the purchasers to put their own stamp on it. Currently offering a patio area and lawn area with garden tap and block built shed. There is also side access for bins.

The property is well maintained and presented in very good condition throughout, however it would benefit from some modernisation and/or reconfiguration. The property would easily be reconfigured to offer 5 spacious bedrooms, 2 bathrooms, kitchen/dining room and living room or similar layout. The location is second to none, being centrally located in the heart of Skerries. You can enjoy easy access to the beach, cafes, restaurants, bars, shopping, boutiques, schools and the extensive sports and leisure clubs that Skerries has to offer. The property offers the discerning buyer an opportunity to create a substantial family home or buy for investment purposes.
