The Old Throne Hospital, 244 Whitewell Rd., Belfast, BT36 7TL

Modern Loft Style Offices from c. 1,100 - 6,700 sq ft in Landmark 'Listed Building' with Inclusive Private Car Parking

LOCATION

This landmark building is strategically located on the Whitewell Road in North Belfast, on a prominent elevated site with view over Belfast Lough, County Down, Belfast Castle Estate and Cavehill Country Park.

Only a short distance from the Antrim Road and Shore Road—two of Belfast’s main arterial routes, the wide range of shopping and leisure at nearby Abbey Centre and less than 1 miles from the M2 motorway, The Old Throne Hospital is perfectly placed for access to Belfast International and City Airports.

DESCRIPTION

Constructed in 1874 by renowned architect Timothy Hevey, The Old Throne Hospital is a two storey listed building characteristically high Victorian in the French Gothic style with polychromatic brickwork and buff sandstone banding.

Donnelly O’Neill Architects have sympathetically restored the building to provide around 8,600 sq ft (779 sq m) of modern ground and first floor ‘loft style’ office suites.

Suites 1 & 3 are located within the original listed building and are fitted to include feature lighting, exposed red brick walls, feature minstrel gallery style mezzanine office (suite 3), turret rooms and gas fired central heating.

Suites 5 & 6 are located in the modern annex and fitted to include painted / plastered walls, low energy lighting, raised access floors with carpeted flooring, gas fired heating and air conditioning.

The building benefits from a passenger lift providing full DDA compliance, use of a communal conference / meeting room and dedicated car parking spaces. In addition, each floor has its own kitchen and male / female and disabled WC facilities.
