This is an incredibly rare opportunity to purchase a seven bedroom detached chalet style bungalow with detached double garage all occupying an elevated site extending to 1.5 acres with superb views over surrounding countryside. Located in the much sought after Shankbridge area on the outskirts of Kells but within easy access of Ballymena town centre, this well appointed property is ideally suited to those with a growing family or in need of additional space for multi-generational living. Approached from the Grove Road, with a picturesque Church on the wooded banks of the Kells Water River directly facing the main entrance, the property is accessed via feature wrought iron double gates and a sweeping tarmac driveway past the children's barked play area to the main property with detached double garage. On entering, the scale of the home becomes quickly apparent with the open tread staircase ascending to the large first floor TV lounge with adjoining large bedrooms. On the ground floor two of the five further bedrooms boast ensuite shower rooms with one also benefiting from a walk-in dressing area. The main bedroom to the ground floor even has the added benefit of a cast iron wood burning stove. With a spacious family bathroom, complete with multi-jet spa bath, wetroom style shower area and "infinity mirror" this property also benefits from a large living room and wall mounted glass fronted multi-fuel stove being the focal point surrounded by a study, large sunroom with semi-vaulted ceiling and multi-fuel free standing stove and a well appointed kitchen with white high gloss units and six seater centre island.

Only on full internal inspection can one begin to appreciate the potential of this superb family home.

Early viewing strongly recommended.
