IMPORTANT NOTE TO ALL POTENTIAL PURCHASERS

Please note that we have not tested the services or systems in this property. Purchasers should make/commission their own inspections if they feel it is necessary.

Original, stone built farmhouse with full planning permission to restore to a three bedroom/two+ reception dwelling, along with a new block of stables and driveway extension, all occupying a mature site off Loughanmore Road, Dunadry.

The current owners and architect have intentionally tried to retain the property's original character and charm within the new design, including the sliding sash windows and stonework.

The property has its own mature garden, along with a concrete yard, cow byre, horse shelter, gravel arena, two grass paddocks, and planning permission for a new, three-bay stable block and driveway extension.

Likely VAT reduction (to 5%), given the fact that the property has been vacant for more than two consecutive years (subject to your own research and discretion).

Early interest highly recommended to avoid disappointment... rarely does an opportunity arise to purchase a property of this type, within this highly sought after area.
