IMPORTANT NOTE TO ALL POTENTIAL PURCHASERS

Please note that we have not tested the services or systems in this property. Purchasers should make/commission their own inspections if they feel it is necessary.

Exciting opportunity to purchase a popular and profitable bistro cafe business offering a range of food to either sit in or takeaway, together with the trading premises extending to c.870 sq ft to include allocated and communal parking areas, occupying a prominent position situated off the Carrmoney Road, Newtownabbey.

The property has been refurbished over the years to provide the thriving bistro with an extremely attractive and quirky space encompassing an open plan design, providing the capacity to seat 20 people comfortably. The dwelling further benefits from gas and electric services, three phase electric supply, four allocated parking spaces, with remaining parking area communal, and solar panels (owned) capable of producing 15KW of electricity.

The property is fully fitted out to a very high standard to allow any new buyer the ability to continue trading immediately. The business attracts a very loyal customer base, further enhanced by a prime trading position and is being tendered for sale due to our clients' desire to take early retirement.

The highly attractive business is being offered with the opportunity to include the premises, however a fixed term lease could also be offered if preferred.

Rarely do commercial premises to include a well established business of this standard come onto the market, and we therefore strongly advise early viewing to avoid disappointment.
